Type of vehicle permit – Please tick the relevant box

White license

Entry to the
critical parts of the security restricted area
*Subject to charge

The signatory (applicant) ensures that the examination interval of the main inspection (HU) or an equivalent has not yet been exceeded; in addition, he ensures that all drivers of the above-mentioned vehicle will ensure this before entering the critical parts of the security restricted area.

Green license

Entry to the
apron area of the security restricted area
*Subject to charge

The signatory (applicant) ensures that the inspection interval of the main inspection (HU) or an equivalent has not yet been exceeded. The signatory also ensures that all drivers of the above-mentioned vehicle will ensure this before entering the critical parts of the security restricted area.

The vehicle entering and leaving the FKB site for which this application was made will also be covered via the liability insurance of Flughafen Köln/Bonn GmbH (FKB); for a maximum of 120 days per vehicle per year. In the insured event, there is a deductible of up to € 10,000 per claim. Damages must be reported to airport security immediately (+49 (0) 2203 40 3000). BADV activities are excluded from the insurance cover.

Alternatively, you can provide your own at least equivalent insurance cover. This must have a coverage of at least € 100 million and secure the operation of the vehicle in the apron area. Should a specially provided insurance cover not be sufficient or equivalent, the insurance will be provided by the FKB for the above-mentioned conditions.

For vehicles of companies or persons with a seat in Iran, in Cuba, North Korea, Russia, Syria or the Ukraine (Crimea/Sevastopol) or in another state/country that falls under the sanction clause, own insurance cover is to be provided. For contractual reasons, these vehicles can not be co-insured by FKB's liability insurance. This also applies to vehicles of customers who carry out (direct-)exports to these countries. The applicant undertakes with the request for entry to inform the FKB in writing, if necessary.

Please provide: - Copy of the registration certificate part I on both sides (vehicle registration) or equivalent
- if necessary, proof of insurance (see page 3)

The applicant is obliged to notify the Central Identification Office/Registration in writing of any change concerning the operational safety of the vehicle or the insurance and confirms this by signing the application. Costs will be charged to the applicant*.

No

The operational necessity in this context can only be determined by the guarantor of the FKB or airport-based company for obtaining a vignette, if it is not possible to carry out the activity in the critical parts of the security-restricted area without the use of a vehicle. Parking and driving in the critical parts of the security restricted area may only take place on the basis of an operational assignment. This does not include the mere arrival and departure of employees to the workplace. For non-campus companies a guarantor of an airport-based company must be named. The Central Identification Office/Registration must be informed in writing about the guarantor.
